## Kura Kura Batiks

"Balinese Batik" is a handmade process of using waxes and dyes to create a truly "wearable artform". Each piece will have slight color and weave variations that are unique to that individual piece.

With our "in-stock" warehousing, we are able to ship your order within 5 business days.

We have no minimums beyond one pack.

Terms are check or net terms with approval. Please email us for a credit application.

Returns will not be accepted without an RA#.

With your purchase you are contributing to the protection of the endangered "kura kura" (sea turtle).

We and the Turtles both thank you for your support.
